### Here and There

Kingdom Builders grows out of an intense longing to see the goodness of God spread throughout the earth. This longing breaks out in generosity that goes beyond the general support of their local church. We sacrificially give to this vision campaign to be a part of bringing God's blessing to others both near and far.

Specific people and projects are supported to advance God's Kingdom work through our church. This brochure outlines the four main areas of our 2017 Kingdom Builders plan.

### Church Planting

The church is God's vehicle to reach the world and bless His people. Church planting is part of the DNA of Evergreen and is always on our heart. God has brought an opportunity to partner with the Great Commission Church in Ames, Iowa to plant a church in the expanding city of Rochester, MN in the summer of 2018.

Pastor Charlie Meyer and pastor Paul Johnson from Ames are currently praying and seeking direction from God on how to pursue this exciting opportunity. Fifteen percent of Charlie's employee costs are included to reflect his time and energy to explore this initiative.

### Local Outreach

We are passionate about reaching our own community with the love of Jesus. Through our Mega Mission Trip, we will once again unite as a church family to be the hands, feet and mouth of Jesus through service projects, prayer and sharing the Good News of the gospel. God has used "The Mega" in amazing ways in our church. We have grown in our love for Him and each other as we have worked together to build His kingdom.

We will also continue to pour love on our neighbors down the street through the Kids Fun Nights. These summer nights are filled with fun and exciting games, sports and crafts for the kids and great conversation with the parents at Sunny Acres.

### Global Outreach

God has used Evergreen as a vital ministry partner for several churches in Latin America and Europe to strengthen gospel outreach where it is truly needed.

#### Missionaries Supported

**Kristine Hildebrand**—Santo Domingo, Dominican Republic

**Enzo Palumbo**—Valencia, Venezuela

**Hector Pineda**—Atlanta, GA Latino Church Plant

**Frank Apisa**—Milan, Italy

Also, we will share the love of Christ by packing and shipping meals to the poor in Honduras and Liberia through our Fuel ministry. In addition, we will help share the Good News of Christ to hundreds of children around the world through Operation Christmas Child.
